

# M5 M Series Outdoor Monitor Enclosure

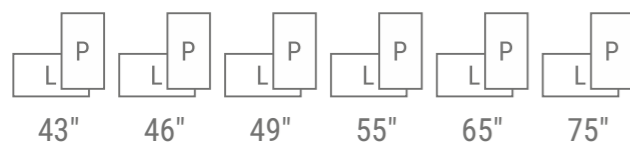

## Key Features

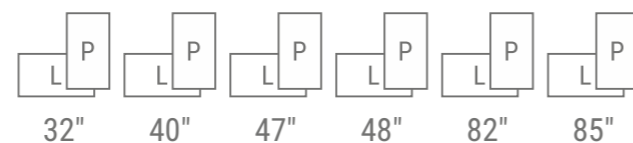

- High Quality Finishes
- Easy Access for Maintenance
- 8mm Anti-Vandal Tempered Glass
- Available for Wall & Ceiling Mounts
- Easy Monitor-TV Mounting

Cletech M5 Outdoor Monitor enclosure is produced both vertically and horizontally. It is produced by considering the outdoor weather conditions. It provides full protection against dust, water and external factors. Vandalism protected 8 mm tempered glass is used on the front surface. Body material of the enclosure is made of hardened steel. Cover security is provided with a double-sided special lock system. With active fan ventilation, it constantly renews the air inside the cabin and prevents the electronic devices from getting damaged by heating. There is a mounting bracket in VESA Standard for mounting the monitor in the enclosure. A wall-mounted bracket is also provided as standard with the product.
