

F90 F Series Outdoor Totem Enclosure

Key Features

- High Quality Finishes
- Easy Access for Maintenance
- 8mm Ceramic Painted Tempered Glass
- Available for Floor Mounts
- Easy Monitor-TV Mounting
- Aluminum Main Chasis

Cletech F9 Outdoor Totem is produced as a single sided in accordance with outdoor conditions. It is fully compatible with the outdoor products of many brands. The main chassis is made of aluminum and other bodies are made of steel. Beside the insulated steel surface, 8 mm vandal resistant tempered glass is used on the front surface. Security is guaranteed with double covers and 3 lock systems on the back surface. With the active ventilation system, the air in the cabin is continuously circulating. Thus, your electronic devices do not get damaged by heating. You can mount your monitor and media players to the product with VESA connection points. In addition, an anchoring system or fittings for connection to the ground is provided with the enclosure.
